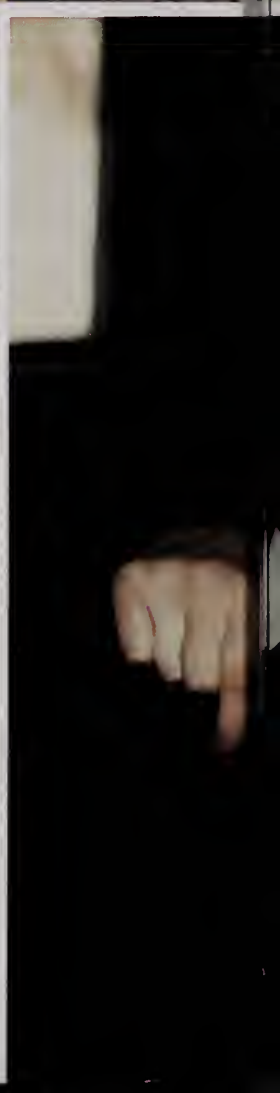
Volume XXXXVI



The past four years have gone by so fast . . . yet we know that the memories will last. Remember those first anxious days we had as freshmen?

seniors 86

seniors 86

All of those long days that seemed to drag by have now become some of our best memories. When we used to count the minutes to the last bell, we now count the last days to graduation . . .

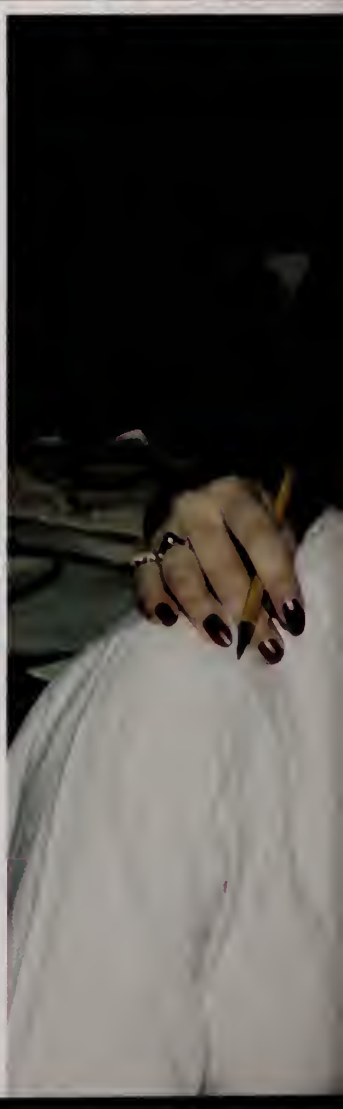
Now that we're no longer underclassmen we can look back upon those first days as freshmen: Remember . . . dashing to the bus . . . searching for your homeroom . . . getting lost . . . being late for class . . . and trying to avoid being trampled in the halls.

seniors 86

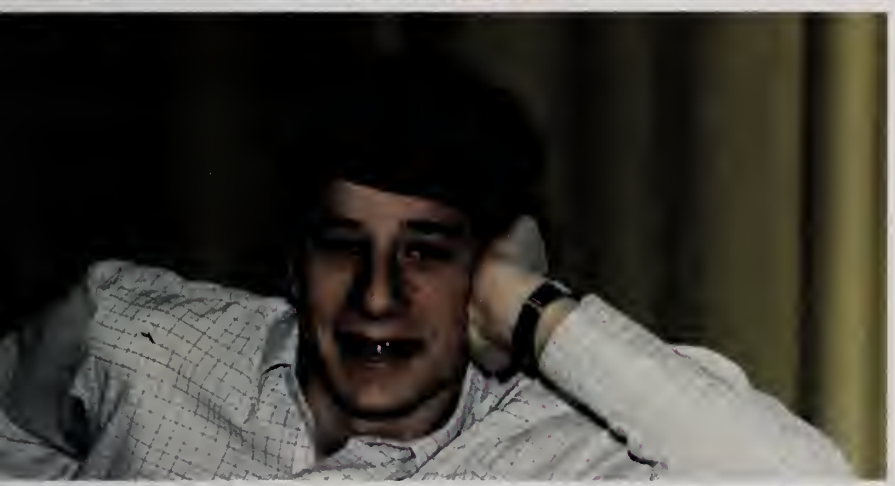
seniors 86

Now we know where we're going, the problem is getting there. I thought it was supposed to get easier as we got older — 1 year down, three to go.

seniors '86

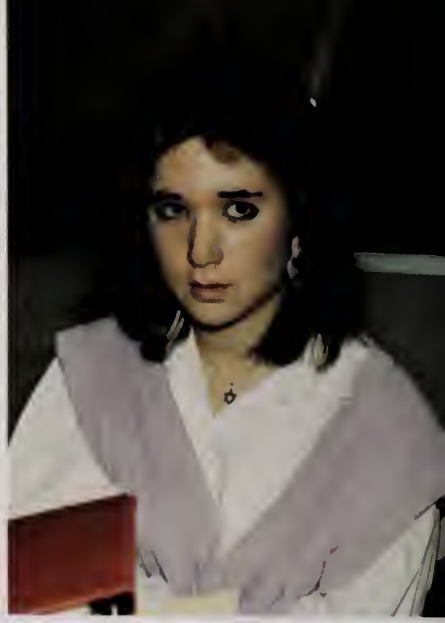


The year that counts . . . getting our class in order . . . Glynn again . . . looking towards college — PSAT's, SAT's, Achievements, and passing the exam that counts the most . . . our drivers' license . . . the Junior Prom — "One More Night".



seniors '86

Looks like we made it . . . Seniors at last . . . A New Principal . . . A New Schedule . . . Silent Studies once again . . . "Welcoming the Freshmen" . . . and saying goodbye to good friends.



We'll look back on these 4 years as times filled with hardwork, close friendships, and unforgettable moments. Our experiences have helped us to grow as individuals and mature as a class. We know that what we've learned at Sharon High will be invaluable to us.

seniors '86

seniors '86

As we look to the future, no matter where it may take us, we are confident that the Class of '86 will continue it's tradition of excellence, hardwork, and determination. The future lies ahead . . . soar with the eagles!!!

dedication

We dedicate our yearbook to the people who have been our greatest source of support — our parents. Although we may not have always shown our appreciation for their help and guidance, we now realize their importance in our lives. Through the good times and the bad, their love and encouragement has given us the determination to fulfill our goals and the courage to reach for our dreams.

appreciation

We, the class of 1986, would like to extend our gratitude and appreciation to Mrs. Sue White and Mrs. Eleanor Schwartz. They were always able to take time from their busy schedules and the chaos of the office to help us with our personal dilemmas. There was never a problem or question for which they could not help us find an answer. They went beyond the duties of their office to give assistance and advice and to become our friends. For this we would like to offer our sincere thanks.

the prom

The wet weather on May 3, 1985 failed to dampen the spirits of all who attended the Junior Prom at Christos II in Brockton. The Prom court, presided over by prom queen Christina Herbst, included Anne Sullivan, Susan Hurwitz, Sarah Delagi, Lisa Nabi and their dates. The fine food, great music, and endless dancing, all contributed to making this more than just **"One More Night."**

Senior Class Day

Who could forget our class day? The best one in four years! The dunes . . . all those coolers . . . Glynn's Hibatchi . . . The beautiful weather, (and the terrible burns afterwards) . . . and all the GOOD times!!!

1986

The Sharon boy's tennis team had an outstanding season, claiming sole possession of the Hockomock League Championship. They achieved a perfect 16-0 record in regular season play. This excellent team was led by all-star Glynn Lloyd, Marc Schwab and Lenny Levine at singles. At second doubles were the alternating teams of Scott Berry and Lou Posner and Eric Nadler and Jeff Basch. The team looks to have another great season next year, as only two players will be leaving.

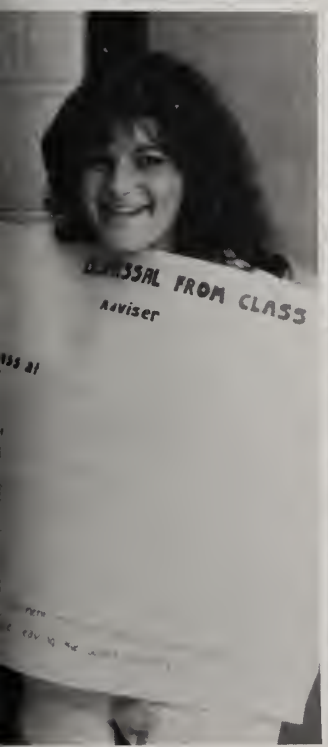
halloween dress-up day



Halloween dress-up day has to be one of the most spirited activities of the school year. You could run into a six foot stereo speaker, several transvestites, a harem of girls, and two very fat guys rolling down the hall.

The Seniors won the prize for the most students in costume while the Sophomores took the honors for spirit at the raucous halloween assembly.

homecoming 86

A cold, damp rainy Saturday could not dampen the spirit at the Homecoming game as each class proudly paraded their floats during halftime. The Sophomores won first place with the Juniors a close second. Jill Fisher was the 1986 homecoming queen and her court included Michelle Zeigler, Lisa Kane, Cassie Clifton, and Julie Langson.

thanksgiving

pep rally

The gymnasium was hardly reconizable with its walls and windows covered with streamers, posters and banners that declared each class had the most spirit. The Cheerleaders, Majorettes and Pom Pom Girls performed their enthusiastic and eye-catching routines. The freshman sounded good but the SENIORS **really had** the most spirit as chaos reigned supreme.

The Savage Dilemma was another successful Sharon High Drama Department production. Outstanding performances were turned in by seniors Robin Nabi, Elise Golden, Meredith Haymes, Rob Hughes and Sam Evans. Under the guidance of student producer, Jeremy Blumenthal, and advisor and director, Mr. Carlyle Newton, S.H.S. had yet another evening of fine entertainment.
